2 There is no provision for this additional charge in the current years budget estimates of the Tenkasi municipality and the municipal Council propose to meet the charge by reappropriation.

3 The financial condition of the Tenkasi Municipality, as indicated in the revised budget estimates, is given below :—

1910-11 Opening balance Rs 18,135
Receipts 16,700
Total 34,835
Expenditure 21840
Closing balance 12,995 which is in excess of the prescribed minimum balance by Rs 8,820/-

4 It will be seen from the above that the expenditure of the municipality exceeds the income by Rs 5,140 This is mainly due to liberal provision (Rs 10,250) made under "Public Works" The unusual provisions are :—

(1) Roads, original Rs 1,500
(2) Drains, original 1,600
(3) Other works, original 750
(4) Incomplete works 1960
Total 5,810

These unusual provisions and the liberal provision under the ordinary public works are due the "Town Extension" Making allowance

Sir,

I have the honor to state that the Honorary Secretary of the Sanskrit School at Tumkur in applying for a grant-in-aid of Rupees 42/- per mensem from the Funds of the Tumkur Town Municipality to enable him to entertain 4 full-time Pandits as detailed in the margin, for the school at an aggregate cost of Rupees 65/-, represented that the monthly income of Rupees 23/-, viz Rupees 15/- from Government as grant-in-aid and Rupees 8/- from private contributions, was insufficient for employing full-time competent Pandits, that at present there were only 3 teachers on Rupees 7/- each per mensem for teaching (1) Rig Veda (2) Yajur Veda and (3) Sanskrit kavya and elementary portions and that there were about 50 students on the roll. The above application was before the Tumkur Municipal Council in their meeting held on the 19th July 1910 and it was then resolv t

I.	Sanskrit Kavya class .	Rs 20/-
II	--------Do---------Second Class .	Rs 15/-
III	Rig Veda class	Rs 15/-
IV	Yajur Veda class	Rs 15/-
	Total	65/-

as the finances of the Municipality were not sufficient, Govem ment may be moved to increase the Government grant by Rupees 15 per mensem

2. On a further representation made for a reconsideration of the above application the Municipal Council reconsidered this subject in their meeting held on 7-11-1910 and resolved that a monthly grant-in-aid of Rupees 15/- may be paid from the funds of the Tumkur Municipality for the reasons given in their resolution, a copy of which is herewith forwarded

3 The institution deserves every encouragement and the Deputy Inspector of Schools who was present in the meeting held on 19-7-1910 expressed that the institution was well attended and that it was a fit one to be encouraged

4 Under these circumstances it is requested that the proposal of the Council to pay a grant-in-aid of Rupees 15/-per mensem from the funds of the Tumkur Municipality may be kindly sanctioned

5 I beg to state that funds will be made available by re-appropriation for incurring this expenditure during the current year out of the grants sanctioned in the current year's Budget of the Tumkur Municipality should the Council's above proposal be sanctioned by Government

I have the honor to be,

Sir,
